June 16, 2010

Dear Colleague,

We have decided not to hold the Academic Showcase in conjunction with the Welcome Reception at ICPE 2010/Brighton. The reason quite simply is that we plan to hold the Welcome Reception on the beach across from the Hilton Metropole. This unusual venue and the uncertainty of the weather that evening does not support having the traditional draped tables and chairs. We realize the value and importance that you and your colleagues place on participating in the Academic Showcase as a way to demonstrate your support of the Society, and to that end, we have a unique set of benefits for this year that includes co-sponsoring lunch on Friday, August 20, the first day of the ICPE.

In addition to co-sponsoring lunch, your program will have the opportunity to

- Provide an opportunity for your students to learn about the Society and career opportunities in pharmacoepidemiology and therapeutic risk management while networking with practicing professionals.
- Use the ISPE booth in the exhibit hall for displaying program materials
- Program faculty will receive ribbons indicating your status as an academic supporter
- Reinforce ties with your alumni.
- Introduce meeting attendees to new educational opportunities at your school.
- Be listed in the final program distributed at the meeting and posted on the ISPE website. **(NOTE: ISPE must receive registration form by June 29 for your program to be included in the Final Program.)**

If you would like to become an Academic Sponsor of ICPE 2010 and co-sponsor lunch on August 20, please fax (301-656-0989) or mail the completed registration form to the ISPE office as soon as possible.

ISPE Academic Program Member \$300 (USD)  
Non-Member Academic Program - \$450 (USD)

Remember, we need to receive your form by June 29 for your program to be listed in the Final Program.

Page 2

Please be assured that we have every intention of having the Academic Showcase/Welcome Reception at ICPE 2011 in Chicago next year.

We look forward to seeing you in Brighton for what promises to be a memorable educational program.

Sincerely,

Rhonda Bohn, FISPE  
Chair, ISPE Development Committee

Mark H. Epstein  
ISPE Executive Secretary
